Hon W<sup>m</sup> Lloyd Garrison.

My Dear Sir.

At the present time I am making the arrangements for our course of lectures in Cincinnati during the coming Winter, and I have been requested by a large number of your friends to invite you to visit our city and deliver one or more lectures sometime during the coming Winter. I see by the papers that you are expected to lecture in Chicago and St Louis, and are also announced for a lecture in Cleveland on Wednesday November 8th. If the Hall here was not occupied that week I should liked to if had you lecture here the next evening, but I

shall be very happy indeed to arrange  
for you any evening on your way back  
from St Louis. Will you pass through  
Cincinnati on your way from Cleveland  
to Chicago and St Louis. If so I shall  
be very happy indeed to see you. Please  
let me know what evening will be  
most convenient for you to lecture in  
Cincinnati, also state to me your terms  
and subject and I shall take pleasure  
in making the arrangements. Please  
direct to William L. Phillips, Cincin-  
nati Ohio. Hoping to hear from you at  
an early day, I remain,

Yours very truly.

William L. Phillips.
